3 January 1963

MEMORANDUM FOR: Chief, Analysis Branch, OEL
SUBJECT: Request for Analysis of Signals

25X1
25X1

Attached is Memorandum #7-62 from [] and one tape from []. I am particularly anxious to have you make an analysis of the signals on the tape.

It is requested that you inform this office as soon as you have any pertinent information on the identification of these signals.

Please return the tape to TCO/OSA for retention in the mission folder.
